\* "Days to Settlement" is the number of days from MALPF receiving the signed contract ("Acceptance Date") until settlement occurs ("Settlement Date").

# Acquisitions including federal matching funds are subject to confidentiality requirements by the United State Department of Agriculture.

‡ Because this is a revised offer, the dates between acceptances and approvals are inconsistent.

Four offers have been extended by MALPF and accepted by the landowner(s) as of May 1, 2009, as FY 2009 carryovers from FY 2008 using local funds. These offers are included in the FY 2009 accounting.

This data will differ from that reported in the end-of-year tables and the Annual Report because it represents more current information incorporating adjustments in acreage and settlement payments and rejections and withdrawals of offers.

This table is updated and posted when MALPF staff has the time to do so, and not on a regular schedule. Last revision: July 27, 2010.

An additional two properties have pending easement offers.
